To our new Applicant:

In order to comply with State Regulations and our District Service Policy, we are attaching documents for your signature and information, as shown in the high- lighted areas. ALL documents must be completed and returned to, along with full payment, before a meter can be installed. These documents will become part of your permanent file retained in our office.

1. _____ Welcome and Information sheet
2. _____ Service Application and Agreement
3. _____ Right-of-Way Easement (see below)
4. _____ Emergency Request & Confidentiality Request
5. _____ Transfer Authorization if purchasing from a previous owner(if applicable)
6. _____ Meter Payout/Installment Sale (if applicable – see below)
7. _____ Customer Service Inspection (if applicable – see below)

The VOLUME & PAGE NUMBER found on the upper right hand corner of your deed must be supplied on the Right-of-Way Easement. This is entered on your deed when it is recorded in Rains County.

Payout: New Service is \$2,000 plus a deposit of \$100. This can be paid with \$1,000 down, plus the deposit, and the balance paid out in the following 10 months with a payment of \$100 plus the water bill with no interest.

If this service is being supplied to New Construction, a Customer Service Inspection is required prior to your moving in. This inspection is completed by our Licensed and Certified CSI Inspector and at no cost to you.

Road Bore: If a road bore is required to bring service to your side of the road, there is an additional charge of \$500 for county roads, and will be quoted on State or Federal Highways.
