Volunteer Fire Department Contributions

For the past several years, we have added to our water bills a \$1.00 contribution to help support the local Volunteer Fire Departments in Emory and Point. This is a VOLUNTARY fee that is added to each account, but is not included in the total amount due. All funds collected by South Rains Water Supply Corporation are remitted to the two departments, twice a year, with no money withheld for administrative charges.

If you would like to participate in this program and support the Volunteer Fire Departments, sign this form. You may contribute more than \$1.00 by indicating an amount below. If you have any questions, don't hesitate to contact us.

Contribution amount: _____
